

Walking on Snowshoes

Welcome to try walking on snowshoes in Sweden!

Program: Delsbo centre west of the city of Hudiksvall in Hälsingland is the meeting point for our walks. In January, February and March 2012, we meet at 10 o'clock and, after arriving at the starting point, we start trying out the snowshoes for each person. If there is no snow we still go for a walk together.

Then follows a guided tour on a prepared route through the village and the deep forests up to a mountain with a fantastic view – and then we walk on passing some interesting and mysterious places on our way back to the starting point.

And after that our province of Hälsingland has many attractions for skiers and others who just want to relax and enjoy our culture in one of the guest houses and hotels.

The walk with snowshoes takes about 4 hours, a coffee break included.

Days: 14th of January, 11th of February, 10th of March – each time at 10 o'clock.
Groups may book other days according to prearrangements.
Max 10 persons each time.

Price: 200 SEK/person, coffee and borrowing of snowshoes included

How to get here: Take a flight to Stockholm Arlanda Airport and then a train to Hudiksvall (approx. 2 hours) and we will arrange for you to get to the starting point.
